Forgot Password? Register

The image shows a mobile application interface for user login. At the top, the time is 13:37 and there are icons for signal strength, Wi-Fi, and battery. The title is "User Login" with the subtitle "To access your account". Below this is a logo featuring a stylized letter 'R' inside a circle, with a plant-like element on the right. There are two input fields: one for the mobile number, labeled "+1 Mobile Number", and one for the password, labeled "Password". A "Log In" button is centered below the input fields. At the bottom, there are two links: "Forgot Password?" on the left and "Register" on the right.

User sign up / registration

3 User registration

- Enter your full name
- Go“Next”

A mobile application registration screen. At the top, the time is 13:38 and there are icons for signal strength, Wi-Fi, and battery. The main heading is "Enter Your Name" in a large, bold font. Below it, a subtitle reads "To create a new account". There is a large, empty text input field. Below the input field, the word "Name" is written in a small, light gray font. A thick black horizontal line is positioned below the input field. Below this line is a large, black, rounded rectangular button with the word "Next" written in white. At the bottom of the screen, the word "Cancel" is written in a small, light gray font. A thin black horizontal line is at the very bottom of the screen, likely representing the home indicator bar.

The screenshot shows a mobile application interface for entering a mobile number. At the top, the time is 13:45 and there are icons for signal strength, Wi-Fi, and battery. The main heading is 'Enter Mobile Number' with a subtitle 'To receive OTP to get verified'. Below this is a text input field with a placeholder '+1 Mobile Number'. A large black button with the text 'Next' is positioned below the input field. At the bottom left, there is a 'Back' link. A horizontal line is visible at the very bottom of the screen, likely representing the home indicator bar on an iPhone.

Enter OTP

6 User registration

- Enter OTP received on your phone
- It may take 30 Sec-60 Sec to receive OTP
- Tick check box
- You can read EULA, Terms and conditions and privacy policy.

13:46

Enter OTP

To verify your mobile number

Four empty input boxes for the OTP.

The image shows a mobile application interface for user login. At the top, the time is 13:37 and there are icons for signal strength, Wi-Fi, and battery. The title is 'User Login' with the subtitle 'To access your account'. Below this is a logo featuring a stylized 'R' inside a circle with a plant-like element. There are two input fields: one for a mobile number with a '+1' prefix and a 'Mobile Number' label, and another for a password with a 'Password' label and a toggle icon. A large black button labeled 'Log In' is centered below the fields. At the bottom, there are two links: 'Forgot Password?' and 'Register'.

Welcome Home

9 Home page

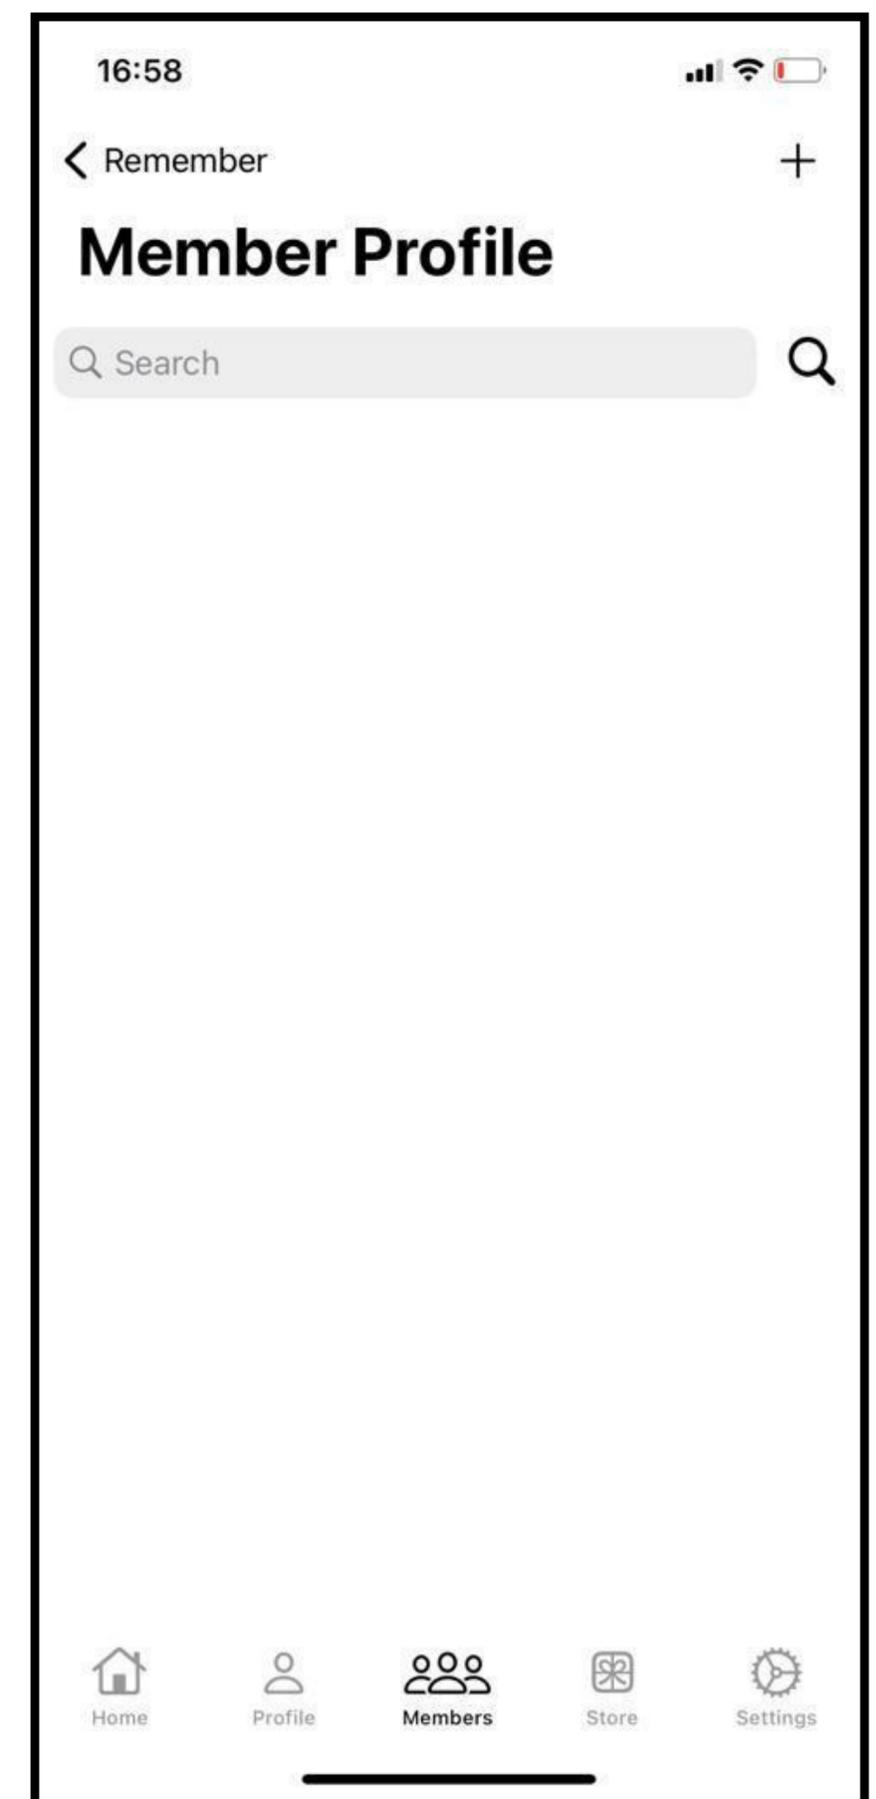

- You're now landed on home page
- To purchase Omega mark, go to "Store" option
- To create new member, go to "Members" option
- To edit your profile, go to "Profile" option
- For upcoming anniversary/event go to "Calendar icon" on top
- Notifications can be found in "Alert" icon on top
- Use the QR code scanner option on top to scan Omega mark

Create memorial

10 Create memorial

- To add/create memorials, go to “members”
- Search for existing memorials in the search bar on top, select and add that memorial.
- You can also define your relationship with that memorial while adding
- Existing memorial will be added to your "members" tab, once your add request is approved by the creator of that memorial
- If you don't find a memorial, you can create a new member by clicking “+” sign on top

Create member

11 Create member

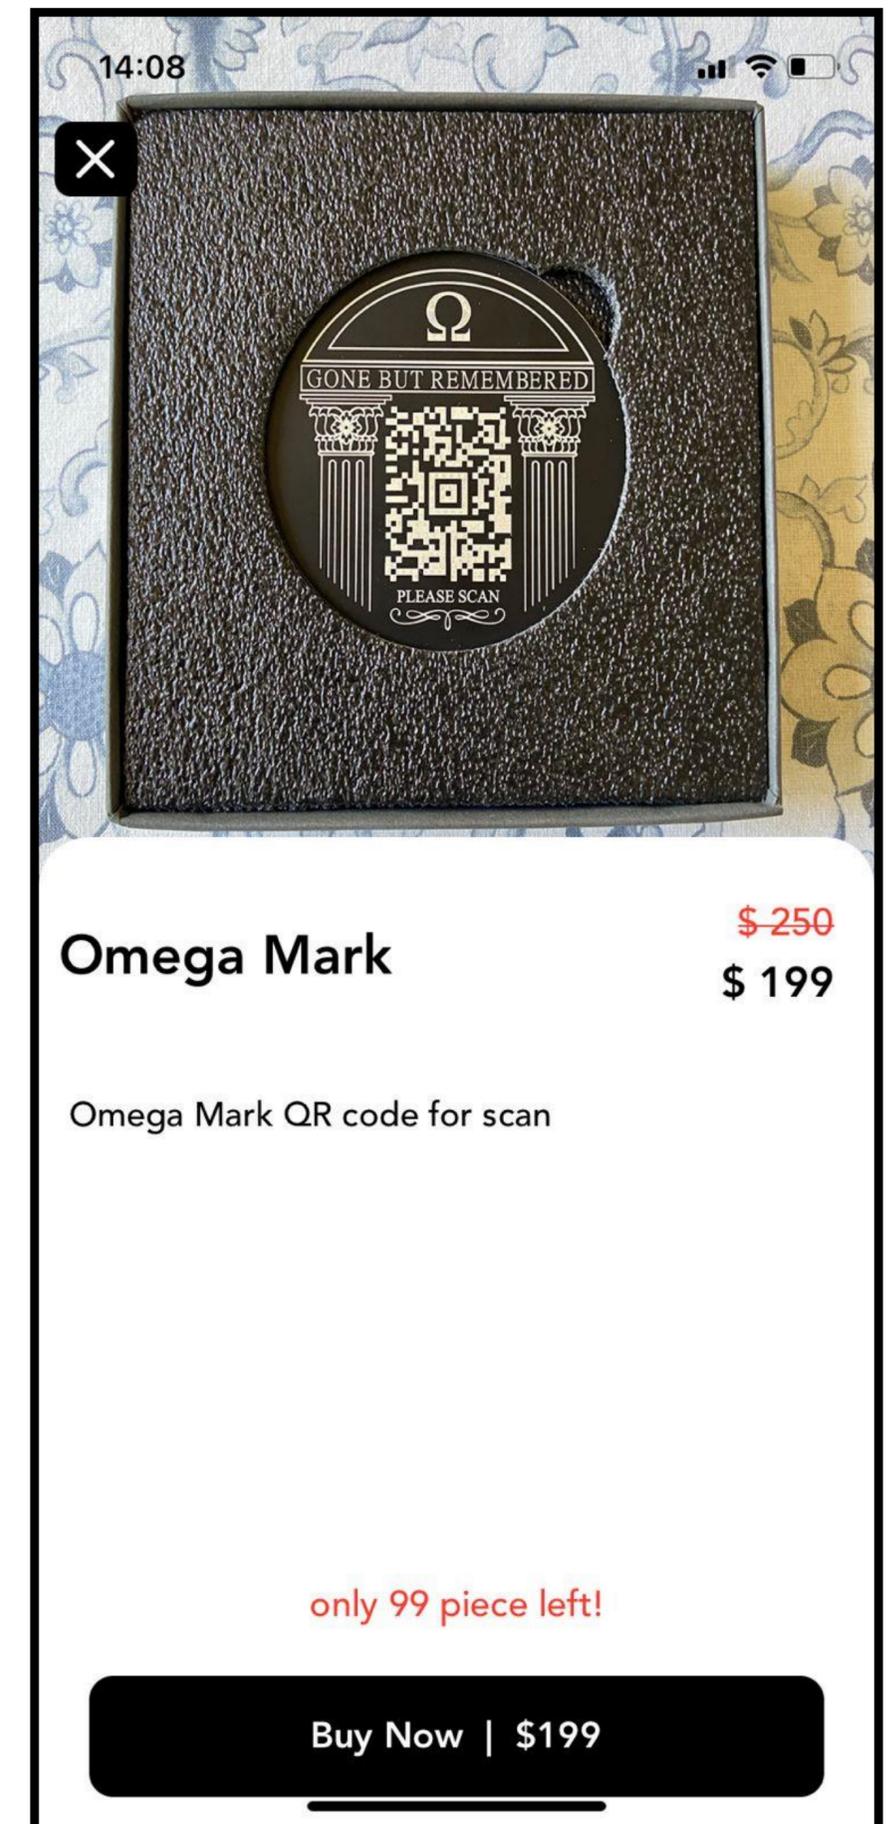

- You can create new member (memorial) by entering all required data.
- Enter birth place, death place and resting place using map (automatically pop-up your location)
- Add your relationship with the member
- Enter remaining required data and submit
- Double check your data and confirm.
- After you successfully created the new member, you can see this member under "members" option

The screenshot shows a mobile application interface for creating a new member. At the top, the time is 14:12 and there are icons for signal strength, Wi-Fi, and battery. A back arrow is visible in the top left. The title 'Create Member' is centered at the top. Below the title is a large, light gray person icon with the text 'Upload Photo' underneath it. The form consists of several input fields: 'Name', 'Relation' (with a dropdown arrow and 'Related as' text), 'Born On' (with a date picker showing '26-Mar-2022'), 'Died On' (with a date picker showing '26-Mar-2022'), 'Birth Place', 'Death Place', and 'Resting Place', each with a location pin icon on the right. Below these fields is a 'Biography' text area. At the bottom, there is a navigation bar with five icons: Home, Profile, Members (which is highlighted), Store, and Settings.

Buy omega mark

12 Store

- Go to “store”
- Select “Omega mark” product
- Click “buy now” to proceed to member attachment option.

Attach memorial

13 Store

- Enter your personal details
- Most important select your memorial (member) to attach the omega mark
- Enter shipping address and if billing address is same as shipping, then check the box
- If your purchase is on behalf of ministry/church enter your private code
- Complete purchase and go to payment options

Credit card payment

15 Store

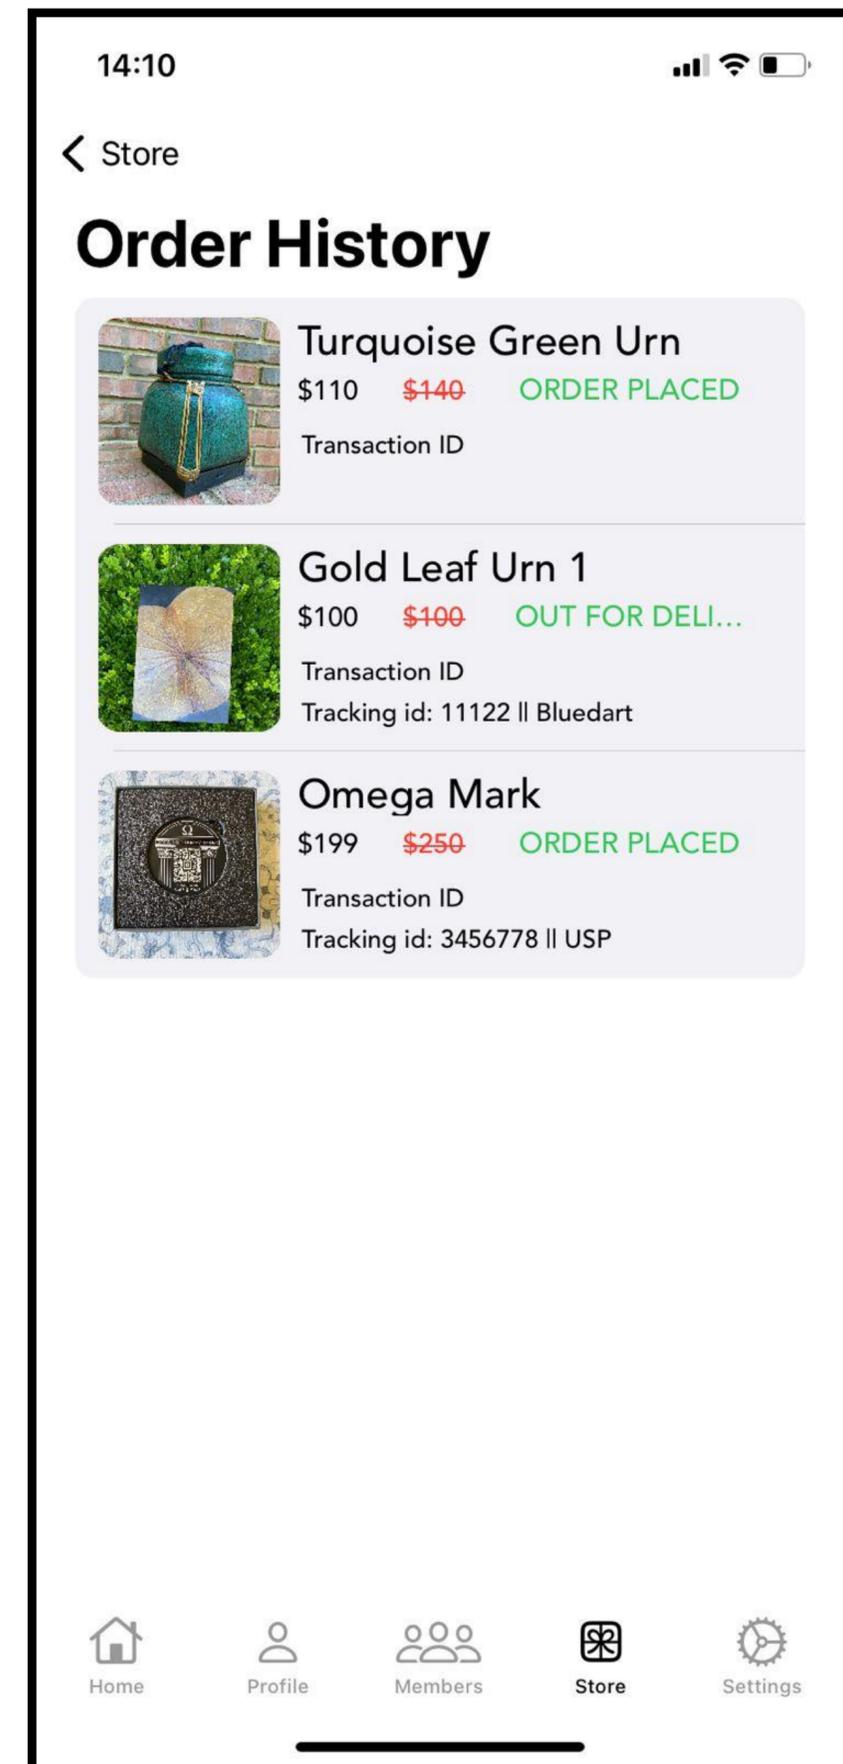

- Enter your credit card information
- Submit payment info
- After successful payment you will be redirect to payment successful page
- Kindly note your Payment ID if payment failed or get stuck somewhere

The screenshot shows the PayPal mobile payment interface. At the top, the time is 14:09 and the battery level is low. The PayPal logo is on the left, and the amount \$199.00 USD is on the right. Below the logo, the text reads "Pay with debit or credit card" and "Your financial details won't be shared with the merchant." The form includes a redacted card number field, a card type selector with icons for Discover, Visa, American Express, and MasterCard, another redacted field, and input fields for Expiry Date, CVV, First name, and Last name. The "Billing Address" section contains redacted fields for the address line 1, address line 2, town/city, state, and PIN code.

Tracking your shipment

16 Store

- Click tracking icon on top for tracking your order
- After successful purchase you can track your order with shipment ID
